### HOLISTIC DEVELOPMENT

Delhi Public School focuses on holistic development, nurturing not only academic prowess but also overall well-being. Co-curricular activities are an integral part of this journey, enhancing academic progress. Participation in co-curricular activities is mandatory and highly encouraged. The school ensures a well-balanced mix of these activities with the academic curriculum.

### CAMPUS

Situated on **19 acres** of verdant land, Delhi Public School, Nagpur Road, Jabalpur, is a coeducational day and residential school boasting top-notch amenities. These include well-furnished laboratories, a rich library, highly qualified faculty, and both indoor and outdoor game areas

### PRE-PRIMARY SCHOOL :

The pre-primary program promotes learning through play, adopting a bag-less approach. Understanding that play is the most natural way for young ones to learn, teachers at DPS incorporate play into daily tasks. The pre-primary wing features a library, creative space, open-space classroom, outdoor play area, and a nature nook.
